

St. Augustine Sailing Sisters (SASS), a 501(c)(7) organization, is proud to announce our **10th Annual Bikini Race**, Saturday, August 2, 2025, with Women at the Helm. The mission of SASS is to engage, empower and excel women both on and off the water and we invite you to join us as a sponsor.

The **SASS Bikini Race** is our signature fundraising event focused on supporting local organizations who help women in crisis in our community. In our first nine years SASS raised and donated over \$65,000 to local charities helping local women.

In 2025, we will donate all net proceeds to the **Betty Griffin Center SASS for Survivors Program** and the **St. Francis House SASS Women's Rebound Program**. These two programs were specifically designated individually with our charities for the sole purpose of allowing SASS to donate directly and impact the lives of the women each charity serves.

The race weekend's activities include a **Launch Party** at the bayfront Friday night, a **Skipper's Meeting** Saturday morning, and the Bikini Race on Saturday afternoon. The weekend concludes with an **Awards Ceremony** on Saturday evening.
